## Continuous Disclosure Policy

---

### 1. Introduction

- 1.1 HMC Digital Infrastructure Ltd (**DigiCo StapleCo**) and Equity Trustees Limited (**RE**) as responsible entity for the HMC Digital Infrastructure Trust (**DigiCo Trust**) (together, **DigiCo Infrastructure REIT** or **DigiCo REIT**) have adopted this Continuous Disclosure Policy (**Policy**) to ensure that DigiCo REIT complies with its disclosure obligations under the *Corporations Act 2001* (Cth) (**Corporations Act**) and the Listing Rules of the Australian Securities Exchange (**ASX**). For the purposes of this policy, the **Group** means the DigiCo REIT and any entities owned and controlled, either beneficially or legally, by the DigiCo REIT.
- 1.2 This Policy applies to all executive and non-executive directors, officers, employees and consultants (collectively, **Employees**) of DigiCo REIT, HMC Capital Limited as the manager of DigiCo REIT and Employees of Equity Trustees Limited in the performance of their role as RE of DigiCo Trust (**RE Employee**) in respect of information of which they become aware in the course of their duties.
- 1.3 Although this Policy relates to disclosure to ASX, the information which is material to the Group could arise in any country where the Group conducts business.
- 

### 2. DigiCo REIT's Disclosure Obligations

- 2.1 DigiCo REIT is listed on ASX and must comply with the continuous disclosure obligations in the ASX Listing Rules. These obligations have the force of law under the Corporations Act.
- 2.2 The main ASX disclosure requirement is set out in ASX Listing Rule 3.1, which essentially requires DigiCo REIT to **immediately** (meaning, "promptly and without delay") disclose to the market any information concerning the Group of which it is or becomes aware of and which a reasonable person would expect to have a material effect on the price or value of securities in DigiCo REIT. Disclosure is made by making an announcement to the ASX.
- 2.3 Information will be taken to have a material effect on the price or value of DigiCo REIT's securities if it would be likely to influence investors in deciding whether to buy, hold or sell DigiCo REIT's securities if the information became public. This type of information is referred to as "price sensitive information".
- 2.4 Materiality is assessed using measures appropriate to DigiCo REIT and having regard to the examples given by ASX in ASX Listing Rule 3.1 and Guidance Note 8.
- 2.5 Materially price sensitive information must be immediately disclosed to ASX unless it falls within the scope of the limited confidentiality exemption contained in ASX Listing Rule 3.1A.
- 2.6 Furthermore, anyone who uses or communicates materially price sensitive information may breach the insider trading provisions in Part 7.10 of the Corporations Act.
- 

### 3. Disclosure Committee

- 3.1 DigiCo REIT has established a Disclosure Committee. At the date of adoption of this Policy, the members are:
- (a) the Managing Director and Chief Executive Officer of HMC Capital (**HMC CEO**);
  - (b) the Chief Executive Officer of DigiCo REIT (**CEO**);

- (c) the Chief Financial Officer of DigiCo REIT (**CFO**); and
  - (d) the Company Secretary of DigiCo StapleCo (**Company Secretary**).
- 

### 4. Compliance approach

- 4.1 DigiCo REIT takes its disclosure obligations seriously and seeks to comply with the spirit as well as the letter of the ASX requirements.
  - 4.2 This Policy emphasises a pro-active approach to continuous disclosure. Notwithstanding the establishment of the Disclosure Committee, all Employees are required to notify the Company Secretary or other member of the Disclosure Committee if they believe there is material information which requires disclosure and are encouraged to approach the Company Secretary or other member of the Disclosure Committee if they have any queries about what information should be disclosed to ASX. The objective is to create a culture of openness which is conducive to the fulfilment of DigiCo REIT's disclosure obligations.
- 

### 5. Material information must be reported

- 5.1 It is imperative that all potentially material information be reported to the Company Secretary or other member of the Disclosure Committee. However, the Disclosure Committee should also consider whether the material information could fall within the scope of the ASX Listing Rule 3.1A exemption.
- 

### 6. Exceptions to disclosure of information

- 6.1 Under ASX Listing Rule 3.1A, certain material information does not need to be disclosed if each of the following paragraphs (a), (b) and (c) is satisfied in relation to the information:
  - (a) one or more of the following conditions apply:
    - (i) it would be a breach of the law to disclose the information;
    - (ii) the information concerns an incomplete proposal or negotiation;
    - (iii) the information comprises matters of supposition or is insufficiently definite to warrant disclosure;
    - (iv) the information is generated for internal management purposes of DigiCo REIT; or
    - (v) the information is a trade secret;
  - (b) the information is confidential and ASX has not formed the view that the information has ceased to be confidential; and
  - (c) a reasonable person would not expect the information to be disclosed.
- 6.2 If a member of the Disclosure Committee believes that certain material information falls within the ASX Listing Rule 3.1A exemption, they should specify exactly why they consider it meets the criteria set out in (a), (b) and (c) above.
- 6.3 As soon as any one of these three conditions is no longer satisfied, DigiCo REIT must immediately comply with its continuous disclosure obligation.

### Maintaining confidentiality

- 6.4 If certain material information is being withheld from immediate disclosure on the basis that it is confidential, then it is important that all necessary steps be taken to ensure that the information remains confidential. This includes ensuring that it is not disclosed to third parties except on the basis of a written confidentiality undertaking.

## 8. Disclosure matters generally

### Inform ASX first

- 8.1 DigiCo REIT will not release any information publicly that is required to be disclosed through ASX until DigiCo REIT has received formal confirmation of its release to the market by ASX.
- 8.2 Information must not be given to the media or others before it is given to ASX, even on an embargo basis.

### Dealing with analysts and investors

- 8.3 DigiCo REIT must ensure that it does not give analysts or other select groups of market participants any material price sensitive non-public information at any time, for example, during analyst briefings, answering analysts' questions or reviewing draft analyst research reports. It is permissible to clarify or correct any errors of interpretation that analysts make concerning already publicly available information, but only to the extent that the clarification or correction does not itself amount to giving the analyst material non-public information (such as correcting market expectations about profit forecasts).

## Continuous Disclosure Policy

- 8.4 In order to preserve transparency and confidence in DigiCo REIT's disclosure practices, all information given to analysts at a briefing, such as presentation slides, should also be given to the Company Secretary for immediate release to ASX and posted on DigiCo REIT's website. The information must always be released to ASX before it is presented at the briefing, regardless of whether the presentation contains material new information required to be disclosed under ASX Listing Rule 3.1.
- 8.5 Slides from other public speeches by a director or senior manager of DigiCo REIT, such as an investor presentation (including results presentations and presentations typically given at annual general meetings, investor days and broker conferences) or at an industry seminar, which relate to DigiCo REIT or its business should also be made available in this way to the Company Secretary for immediate release to ASX and posted on DigiCo REIT's website, ahead of the presentation. This provision is not intended to apply to private meetings between DigiCo REIT and an investor or analyst, however, Employees must be careful not to disclose in the meeting any non-public information that could have a material effect on the price or value of its securities.
- 8.6 All dealings with analysts should be carefully monitored by those Employees participating in such dealings to ensure that material non-public information is not inadvertently disclosed, and if this occurs DigiCo REIT must immediately disclose that information to ASX.

### Authorised DigiCo REIT spokespersons

- 8.7 The only people authorised to speak publicly on behalf of or in relation to DigiCo REIT (i.e. to make public verbal statements in respect of DigiCo REIT) are:
- (a) The Chair of DigiCo StapleCo; and
  - (b) any person who is expressly authorised in writing by the Board.
- 8.8 This requirement applies in respect of all enquiries by the media, analysts and securityholders.
- 8.9 All enquiries by regulators should be passed on to the Company Secretary immediately.

### Market speculation and rumours

- 8.10 In general, DigiCo REIT does not respond to market speculation and rumours except where:
- (a) the speculation or rumours indicate that the subject matter is no longer confidential and therefore the exception to disclosure set out in the ASX Listing Rules no longer applies;
  - (b) ASX formally requests disclosure by DigiCo REIT on the matter; or
  - (c) the Disclosure Committee or Board considers that it is appropriate to make a disclosure in the circumstances.
- 8.11 Only authorised spokespersons may make any statement on behalf of DigiCo REIT in relation to market rumours or speculation. If an Employee becomes aware of any market speculation or rumours of which the Company Secretary or other member of the Disclosure Committee may not be aware, these should be reported to the Company Secretary or other member of the Disclosure Committee immediately.

## Continuous Disclosure Policy

### False market

- 8.12 If ASX considers that there is, or is likely to be, a false market in DigiCo REIT's securities and asks DigiCo REIT to give it information to correct or prevent a false market, DigiCo REIT must give ASX the information needed to correct or prevent the false market.

### Trading halts

- 8.13 In certain circumstances, DigiCo REIT may need to request a trading halt from the ASX to maintain the efficient trading of its securities. The Disclosure Committee is authorised to make decisions in relation to trading halts and, unless otherwise approved by the Board, the Company Secretary is the only person authorised to request a trading halt on behalf of DigiCo REIT.

### Website

- 8.14 All company announcements will be posted on DigiCo REIT's website immediately after they are released to ASX.

## 9. Role of the Responsible Entity

- 9.1 The board of the RE, and RE Employees shall escalate information to the Disclosure Committee as necessary.
- 9.2 If the RE escalates information to the Disclosure Committee, it remains the Disclosure Committee's responsibility to determine whether the RE's information is required to be disclosed, or refer the information to the Board for consideration.
- 9.3 The board of the RE is required to approve, in conjunction with the Board, the following disclosures:

### 11. Breaches

Accordingly, it is incumbent upon all Employees to comply with this Policy.
- 11.2 Breaches of this Policy will be viewed seriously and may lead to disciplinary action being taken against the relevant Employee. In serious cases, such action may include dismissal. Any Employee who becomes aware of a violation of this Policy should immediately report the violation to the Company Secretary.
